Apparently, they split it up between shorter and longer words, so where I expected the part I wanted to rhyme with to be in the alphabetical order, it was not. Instead, it was in the second section. Would have

preferred to keep it all one list and everything in alphabetic order. Maybe instead of splitting exact rhyming words by length, they should have made the second section be words that almost rhyme instead, since they don't have a section for that. 0 of 0 people found the following review helpful.
