Random House : Random House Webster's Student Notebook Thesaurus before purchasing it in order to gauge whether or not it would be worth my time, and all praised Random House Webster's Student Notebook Thesaurus:

0 of 0 people found the following review helpful. Handy and pretty dandy thesaurusBy A CustomerI bought the Random House Webster Student Notebook Thesaurus for my summer english class and was very pleased with its student friendly set up. I do not feel that the writing tips presented in the book are really necessary (being politically correct). The space could have been filled with more grammar and sentence structure information--or hints for vocabulary such as word roots. It does, however, fulfill the job of being a good writing reference tool for a middle grade through tenth grade student. It fits nicely in a three-ring binder.

A handy, three-hole-punched thesaurus designed to fit conveniently into a loose-leaf binder. Ideal for middle school,

high school and college students, Random House Webster's Student Notebook Thesaurus is handy, hole-punched and makes the perfect companion to Random House Webster's Student Notebook Dictionary. It is an essential reference for any student, and includes: More than 80,000 entries in an A-Z format to help you find the right word fast. Synonyms and antonyms arranged in order of relevance and meaning. Special discussions on "New Words" currently entering the language. Two essays on avoiding using offensive language. Helpful references, such as the periodic table, lists of states and capitals and rules of grammar. A guide for writers.

From the Inside Flap: A handy, three-hole-punched thesaurus designed to fit conveniently into a loose-leaf binder. Ideal for middle school, high school and college students, Random House Webster's Student Notebook Thesaurus is handy, hole-punched and makes the perfect companion to Random House Webster's Student Notebook Dictionary. It is an essential reference for any student, and includes: More than 80,000 entries in an A-Z format to help you find the right word fast.
