Paul Pimsleur : Rapido y Facil Ingles (English For Spanish Speakers) (Quick Simple) (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rapido y Facil Ingles (English For Spanish Speakers) (Quick Simple) (Spanish Edition):

3 of 3 people found the following review helpful. Four Stars By Cesar Reinosogood book translates much of what he says and explains in essence the basics and not boring2 of 2 people found the following review helpful. Works great By David Ceballos Bought this for my mom who is learning English. She says they work really well, and she likes the fact that now she could listen to English lessons in the car while she drives. The only con its that she wishes there were more lessons in this packet0 of 0 people found the following review helpful. Five Stars By jack dullyA gift but was told that it is helpful

The Pimsleur Method: the easiest, fastest way to learn a new language. Completely portable, easily downloadable, and lots of fun. Youll be speaking and understanding in no time flat! This course includes Lessons 1-8 from the English for Spanish Speakers Level 1 30-Lesson Program - 4 hrs of audio-only effective language learning with real-life spoken

practice sessions. Each lesson provides 30 minutes of spoken language practice, with an introductory conversation, and new vocabulary and structures. Detailed instructions enable you to understand and participate in the conversation. Practice for vocabulary introduced in previous lessons is included in each lesson. The emphasis is on pronunciation and comprehension, and on learning to speak English. The English Language Approximately 375 million people speak English around the world and there are more than 50 countries where English is the primary language spoken, including in Australia, Canada, the Commonwealth Caribbean, Ireland, New Zealand, the United Kingdom, and the United States. This course teaches Standard American English as spoken in the US. Instruction is in Spanish. Tech Talk - CDs are formatted for playing in all CD players, including car players, and users can copy files for use in iTunes or Windows Media Player.

About the Author Dr. Paul Pimsleur devoted his life to language teaching and testing and was one of the worlds leading experts in applied linguistics. After years of experience and research, Dr. Pimsleur developed The Pimsleur Method based on two key principles: the Principle of Anticipation and a scientific principle of memory training that he called Graduated Interval Recall. This Method has been applied to the many levels and languages of the Pimsleur Programs.
