That said, it's proven for me to be the most useful approach to learning Thai. After about a year of following the common advice to focus on speaking and understanding spoken Thai, this approach has changed my mind about the best way to understand this difficult language. Although

I've only completed day 3 (after 2 full weeks) I've made clear and tangible progress in understanding how the language works. I'm certain that upon completion I'll have a better understanding of it's otherwise confusing script and tones.2 of 2 people found the following review helpful.
