I have been using her READY TO GO RESUMES with job seekers for over four years. This customer friendly, easy to use resume program allows job seekers of all skill levels to compose professional resumes that capture and highlight their best skills and accomplishments. Because Yana Parker uses examples of resumes of actual job seekers, there is a freshness and authenticity to the resumes that is sometimes lacking in other resume books. If this is your first attempt at resume writing you will surprise yourself with a resume that highlights your work experience and qualifications and gets results. If you're a seasoned professional with a desk full of old resumes, using Yana Parker's READY TO GO

RESUMES is guaranteed to enhance your chances of getting the interviews you want. In addition to first rate resumes examples and easy to follow instructions, be sure to look at the cover letters and thank you letter examples in READY TO GO RESUMES, and questions and answers to common resume problems. I use all of Yana Parker's resume books in teaching resume writing workshops for career changers, beginning job seekers and people who have lost their jobs through downsizing, layoff or being fired. I am constantly delighted to see the improvements and changes that job seekers make to their resumes when using the concepts and tips gleaned from Yana Parker. 13 of 13 people found the following review helpful. Ready-To-Go Resumes a great place to begin By A Customer Unfortunately, I let 10 years lapse since I had written my last Resume. Ready-To-Go Resumes did a great job in introducing me to the latest Resume formats. I was able to understand and effectively choose between either a chronological or functional resume style. I have received many compliments on my resume, thanks to using Yana's techniques. A great resource for choosing a resume template, and cover letter template.

This software package has helped thousands of job hunters, career counselors, and others create snappy, professional-quality resumes with a minimum of effort. Each disk contains 28 easy-to-use resume templates with unique facts.
