Anne McKinney : Real Resumix Other Resumes for Federal Government Jobs before purchasing it in order to gage whether or not it would be worth my time, and all praised Real Resumix Other Resumes for Federal Government Jobs:

0 of 0 people found the following review helpful. Another must have toolBy Joel RiveraIf you are looking for a job with the Federal Government, this is the book you need. It spells out every little detail you need to compile your next resume online and it gives you all kinds of words to say what you want to say using the right vocabulary. Awesome tool to have.1 of 1 people found the following review helpful. Out of date and limited!By D. WELSHThis book was developed so long ago it's not relevant. All it contains is a bunch of sample resumes for different government positions. If your position isn't included it's worthless. There is NO discussion of the different systems for applying for government jobs, nothing but sample resumes that are outdated.Don't waste your money.2 of 2 people found the

following review helpful. Civilian to Government, NOT, Military to Government By C. Wilkinson Many fine examples of civilian to government type resumes. Some with limited amount of "military experience" information included. But, as a veteran, I didn't feel this book provided much guidance for a military to government type resumix resume.

This book is designed to help people who seek their first federal government job as well as federal employees who want to advance in the system. The process of getting a government job often involved preparing complex applications or specialized resumes which include the "resumix." One complication of the federal hiring process is that the resume used for federal employment is not the same as the resume used to obtain civilian employment. This book shows real examples of effective federal resumes and the "resumix" which worked for real people. This book will do a great deal to make the federal hiring process understandable as it illuminates one of the most complex features of getting a government job: writing the federal resume or "resumix." Praise from job hunters who have used the Government Jobs Series: "Even if you post your resume online or through the Government's Resume Builder, you need to develop a strong written draft first. This book will show you how." A. Howie, book reviewer "I learn best by example, and the samples I found in this book showed me how to create a resumix." T. Jameson, government employee "Getting into the federal government system is a complex process, and that process is made easier by the guidance in this book." J. Lampros, book reviewer "How to write an effective resumix mystified me until I followed the formats provided by the Government Jobs Series." A. Cageline, government employee "Some books talk about what you need to put into KSAs. This book shows what to do in sample after sample, and the real examples helped me get a big promotion." J. Sadisamo, government employee "After I left military service as an NCO, I tried for a year to get into the federal system. One day I got hold of this book and rewrote my resumix so that my experience was translated into understandable terminology. That made all the difference, and I am now a GS-13 in Washington, DC." A. Brown, federal employee I had been wrestling with KSAs for more than two years when I discovered this book. It was like a light bulb turned on. Through the samples in this book, I saw the rhythm and flow of the KSAs when they are highly effective, and I decided to grind it out by following the samples. I will never like writing KSAs but I know how to write them now so that I get selected for an interview, thanks to this book. P. McIlheny Praise for titles in the Government Jobs Series and Real-Resumes Series: "Distinguished by highly readable samples." - Library Journal A guide that significantly translates veterans experience into viable repertoires of achievement. Booklist This thoughtful resource should come as a welcome and valuable tool. Small Press Those picking up this book will be looking for specific references. Most likely they will find what theyre looking for. Written in clear, practical terms. Independent Publisher A complex process suddenly made simpler. Recommended for anyone seeking a federal job. Veterans Voice

I caught on to the techniques involved in creating effective resumix once I read this book. -- Kathryn MacLester, federal employee, May 2003 I stagnated in my GS-5 position until I found this book. -- Butch Andrew Kilgore, GS-09, June 2003 I transitioned from civilian employment to federal employment using this book. -- Kyle Fox, GS-7, May 2003 About the Author Anne Mckinney edits the distinguished Government Jobs Series published by PREP Publishing. She holds an MBA from the Harvard Business School and a BA in English from the University of North Carolina at Chapel Hill.
