Yvette Gavin : Recalibrate! Navigating the Job Market with Confidence before purchasing it in order to gauge whether or not it would be worth my time, and all praised Recalibrate! Navigating the Job Market with Confidence:

0 of 0 people found the following review helpful. Yvette Gavin's "Recalibrate" is an excellent book for a person looking to advance their career. Whether you're a recent college graduate or an experienced employee, you can gain excellent tips from this book. Some of the tips including creating the complete resume, successful interviewing, and marketing yourself. Yvette also does a wonderful job of making a personal connection by sharing some of her own experiences. I would highly suggest reading this book. 0 of 0 people found the following review helpful. She is absolutely amazing!! By Marcie Yvette Gavin has really opened my eyes on how to really navigate the job market. She is
