Recipe Notebook: This handy little journal is perfect if you want to organize your cooking notes and recipes and make your own individual and personalized recipe book. Perfect for storing your prized collection of recipes from your kitchen, you will never forget a recipe again. You can use this book to safely store those cherished recipes that have been passed down from family members and friends. No more writing those great recipes down on little bits of paper. Formatted to a 6 x 9 size, there is plenty of space for all your culinary notes. There's a handy directory at the front for you to list all your recipes and room to write over 100 recipes, preparation time, cooking time, how many the recipe serves, star rating and notes. There's also space at the back where you can stick your photographs in of the completed dishes so you can look back at them for quick reference when meal planning. This recipe notebook makes the ideal gift for passing on to loved ones who need to learn how to cook your family recipes. Start creating your own culinary treasure with this beautiful recipe notebook today!
