From W. W. Norton Company : Recordings for An Introduction to America's Music before purchasing it in order to gage whether or not it would be worth my time, and all praised Recordings for An Introduction to America's Music:

1 of 9 people found the following review helpful. FantasticBy Nina M. BuzzellThe CD's were in wonderful shape. I received my order sooner than I anticipated. Thank you so much

A 3-CD set edited by Richard Crawford containing historically appropriate performances of 70 works discussed in the

book and supplied with Listening Guides.

About the Author Richard Crawford is Hans T. David Distinguished University Professor at the University of Michigan and perhaps the most highly respected scholar teaching American music today. A past president of the American Musicological Society, Crawford has published ten books on American music and won numerous honors, fellowships, and awards, including election to the American Academy of Arts and Sciences.
