**Bill Humbert : RecruiterGuy's Guide to Finding a Job** before purchasing it in order to gage whether or not it would be worth my time, and all praised RecruiterGuy's Guide to Finding a Job:

0 of 0 people found the following review helpful. An Essential Job Search CompanionBy AKSEveryone from college recruits to executives will find a treasure trove of insider job search advice in "RecruiterGuy's Guide to Finding a Job." Expert recruitment consultant Bill Humbert (a.k.a., "RecruiterGuy") shares his unique perspective from the hiring side of the employment process and provides insights not found in other job search guidebooks. With brevity, empathy, and a dash of humor, Humbert breaks the job search process down into a series of steps, each followed by a checklist of

must-do's. From acknowledging the grief of job loss to explaining how to strengthen references to guiding candidates through a successful salary negotiation (and everything in between), Humbert the "RecruiterGuy" teaches, coaches, and cheers on job applicants towards happy and fulfilling employment. Woven into the text are a variety of personal anecdotes to underscore his recommendations, resulting in an excellent primer for the job search and beyond. 0 of 0 people found the following review helpful. RecruiterGuy's Guide To Finding A Job by Bill HumbertBy Larry Stolte"Recruiter Guy's Guide To Finding A Job" is a WONDERFUL guide to the process of finding a job! It goes through the processes in easy to understand terms, with humor, and experiences that keep it entertaining as well as informative. Bill Humbert has a tremendous amount of experience and you can be sure the information in the book is going to be useful and will provide positive results. Bill also gives you guidelines on what to expect when you follow the process. It is definitely 5 star material. Review by LStolte0 of 0 people found the following review helpful. just a great bookBy klimmerI bought the book and then the online version. What is good about the online version is that you can highlight sections and then copy and paste to a document so you can reference things and not have to go back and get it from the book.This has helped my son job hunting and resume writing. I passed it on to several of his friends as well.

Over 5,000 copies of this book have been sold on Amazon, nationally with Barnes Noble, local bookstores, on college/university campuses across the US, in Back of Room following speeches, and on e-book! Since 1981, Bill Humbert has worked with thousands of managers and candidates, and has voluntarily helped hundreds of people find their next position, even in recessions. The processes in the RecruiterGuy's Guide to Finding a Job may be used by anyone from a C-level executive to a college recruit. When you look at the job-search process as a series of smaller important processes, you understand why so many books have been written on different aspects of the search. Treat your job search as work. The search is worth it if you find a job that makes you happy. The book is organized by process so you can pick it up at any time and review chapters that affect your situation. Do not read this book from front to back like a novel. Use it as a reference to help you work through each process.
