Eric P. Smith : Repairing Antique Clocks: A Guide for Amateurs before purchasing it in order to gage whether or not it would be worth my time, and all praised Repairing Antique Clocks: A Guide for Amateurs:

0 of 0 people found the following review helpful. Original Clock publication from the pastBy Clock FetishLove this book to see the old ways associated with clock repair - Eric Smith is a past masterBrian Australia2 of 2 people found the following review helpful. Starter BookBy D. HicksI recommend this book for someone who is just starting. It is a very informative book, covers everything it needs to in detail. I highly suggest it for someone who is getting into repairing clocks. It is an enjoyable read, easy to understand, uses understandable pictures, etc.0 of 0 people found the following review helpful. Five StarsBy BarbarapicturepainterHelpful book.
