By Laura
This is a great book for hiking in the monadnock region. Before reading this book, I had no idea there were so many trails around where I live! Very helpful, would recommend to a friend.

Wasn't what I was expecting. the picture is misleading. This is a pocket size book with no trail maps or drawings which would be helpful.

This trusted, comprehensive guide details more than 200 trails of southern New Hampshire's beautiful mountains, parks, and nature areas. Compiled by the same expert editor as AMC's White Mountain Guide, this new edition describes the most hike-worthy routes throughout the region. Plan trips easily with twenty, all-new, detailed interior trail maps and the full-color, GPS-rendered, pull-out paper map, which now covers Mount Monadnock, Mount Cardigan, Mount Sunapee and Pillsbury state parks, and the Belknap Range. This is a must-have for every hiker who sets out to explore the central and southern regions of the Granite State.
Inside You'll Find:
More than 200 detailed trail descriptions, with more than twenty new trails and many new areas to explore
Full-color, GPS-rendered pull-out paper map of four popular trail networks with trail segment mileage
Distances, elevations, trip times, and trip-planning and safety information
