**Hugh Shull, Wendell Wolka : Southern States Currency (Official Red Book)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Southern States Currency (Official Red Book):

0 of 0 people found the following review helpful. An invaluable resource for the collector of Southern Currency By J. Ellis The one and only book that covers all currency issued by every Southern State before, during, and after the War Between the States. An invaluable resource for thee collector. This book does not cover Confederate currency but there are several books that do that. 0 of 0 people found the following review helpful. Five Stars By Debbie A must for all southern paper money enthusiasts. 2 of 2 people found the following review helpful. Southern States Currency By William Lettich There is more counterfit Confederate paper currency out there than original. Know how to spot the

junk from the real with this book.

Building on the classic foundation laid by Colonel Grover Criswell, paper currency expert Hugh Shull presents an authoritative guide to the state-issued money of the South, from the pre-Civil War era through the war years, and into the late 1800's. Full Color, 448 Pages. By Hugh Shull; Foreword by Q. David Bowers. Spiral Hardback Cover.
