Pablo Neruda, Donald D. Walsh : Spain in Our Hearts/Espana en el corazon (New Directions Bibelots) before purchasing it in order to gage whether or not it would be worth my time, and all praised Spain in Our Hearts/Espana en el corazon (New Directions Bibelots):

What struck me was that Neruda could be talking about any war, any place, any time. The fact that men passed up food clothing to make room for this volume in their knapsacks made me pause and reflect at length on freedom and tyranny. Anyone interested in poetry, the Spanish Civil War, or Neruda would like this book.0 of 0 people found the following review helpful. Beautiful

poetry about sad times. By Dino Martino This book captures the feelings and sufferings of Spain during the civil war. This dual-language edition is great for people like me who are beginning to learn Spanish and admire the beauty of the language. 0 of 0 people found the following review helpful. Five Stars By Black Flamenco An intelligent and thought-provoking read.

Neruda's epic hymn against fascism, *Spain in Our Hearts*, now available in this pocket Bibelot edition. In 1936, Pablo Neruda was Chile's consul in Madrid, and so horrified by the civil war and the murder of his friend, Federico Garcia Lorca, that he started writing what became his most politically passionate series of poems, *Spain in Our Hearts*. The collection was printed by soldiers on the front lines of the war, and later incorporated into the third volume of Neruda's revolutionary collection, *Residence on Earth*. This bilingual New Directions Bibelot edition presents *Spain in Our Hearts* as a single book as it was first published, a tribute to Neruda's everlasting spirit.

A gem. -- *Library Journal*, starred review, Michael Rogers In the seamless interplay of public and private, the poet exposes the heart of the human condition. -- *VOX*, Tom Pynn About the Author Pablo Neruda was born in 1904 in the town of Parral in Chile. He received numerous prestigious awards for his work, including the International Peace Prize in 1950, the Lenin Peace Prize and the Stalin Peace Prize in 1953. In 1971, he won the Nobel Prize for Literature. Two years later he died of leukemia in Santiago, Chile.
