Onyria Herrera McElroy PhD, Lola L. Grabb MA : Spanish-English English-Spanish Medical Dictionary: Diccionario Médico Español-Inglés Inglés-Español (Spanish to English/ English to Spanish Medical Dictionary) before purchasing it in order to gage whether or not it would be worth my time, and all praised Spanish-English

English-Spanish Medical Dictionary: Diccionario Médico Español-Ingles Ingles-Español (Spanish to English/ English to Spanish Medical Dictionary):

With the rapid growth of the Spanish-speaking people worldwide, this comprehensive communicator has become an indispensable resource for healthcare students and professionals everywhere. The Third Edition has been designed to give easier and faster access to over 20,000 comprehensive medical terms, technology-related medical terms, and medical abbreviations, plus definitions, translations, tips on pronunciation, signs and symptoms of common disorders, practical phrases used in daily communication with patients, and much more. The content has been fully updated by adding new phrases ranging across the specialties of cardiology, immunology, neurology, oncology, ophthalmology, and neonatology all fields noted for their new technical and procedural developments. You'll also find these features and highlights A NEW Anatomy Atlas features both English and Spanish labels. A-Z lets you locate any term quickly. Consent, Authorization, and Release forms to obtain easier communication with patients when research projects or procedures are done. Valuable Appendices include additional phrases focusing on HIV, AIDS, neonatology, and bioterrorism. Updated design and organization improves overall readability and ease-of-use. Verb tables And many more beneficial items
