I am taking a Spanish medical interpreting class and my teacher recommended this book on our syllabus. I use it every class. I got it for \$4. It is from the Metropolitan Library System a discarded book. Good deal! Good read! Good life!0 of 0 people found the following review helpful. Very useful. Use it all the time !1 of 1 people found the following review helpful. Spanish-English English-Spanish Pocket Medical DictionaryBy Bill P.Excellent reference publication. Highly recommended for English speaking health care professionals dealing with Hispanic patients. Accurate, concise translations and terminology are critical for clear communication and decision making...and this book is a great help.

Now availablea portable pocket-sized version of McElroy and Grabb's highly successful Spanish-English English-Spanish Medical Dictionary. This handy reference will help non-Spanish-speaking physicians and other health care providers communicate with Spanish-speaking patients with greater precision and ease. The book contains over 12,000 terms and includes a section on common medical abbreviations. Appendices include Communicating with Patients; Common Medical DisordersSigns, Symptoms, Tests, and Treatments; Systems of Measurements; and Verb Tables.
