Annette G. Cash, James Murray : Spanish for Reading and Translation before purchasing it in order to gage whether or not it would be worth my time, and all praised Spanish for Reading and Translation:

0 of 0 people found the following review helpful. very usefulBy Br. Bradley T. Elliott, O.P.very clear and easy to use. I learned a lot about grammar from using this book and was able to pass my language requirement for graduate school. I wish that the editor provided definitions for the key words, even if only in a foot note. I had to always have a dictionary at hand.0 of 0 people found the following review helpful. Three StarsBy Melissa MichaelWhile the book is as posted the price was extremely high for a textbook of this size.3 of 5 people found the following review helpful. Spanish for Reading and Translation is designed to prepare students to be able to read in Spanish, particularly for students enrolled in universities that call for a reading knowledge of a foreign language as a requirement for a graduate degree. Requiring only a recognition knowledge of Spanish, this text prepares students to answer content questions

about passages and to translate English text into Spanish.
