I use this to teach mentally handicapped children Spanish. There were some cards missing, actually the months of the year. The sellers sent a new box of cards and let me keep the other one. This has been a very effective teaching tool. 8 of 8 people found the following review helpful. Flimsy By iluvshoes I like the cards and the way they are written but I wish they were printed on something a little more durable. These are very flimsy business card size cards. 2 of 2 people found the following review helpful. Decent For Retaining Vocabulary By Catherine Scott These cars are for beginner level Spanish students. There are a few intermediate cards thrown in there. They're flimsy, but that is what I was expecting. I knew most of the vocabulary in this flashcard set, but they're still

useful for helping me retain words.
