I use this to teach mentally handicapped children Spanish. There were some cards missing, actually the months of the year. The sellers sent a new box of cards and let me keep the other one. This has been a very effective teaching tool. 8 of 8 people found the following review helpful. Flimsy By iluvshoes I like the cards and the way they are written but I wish they were printed on something a little more durable. These are very flimsy business card size cards. 2 of 2 people found the following review helpful. Decent For Retaining Vocabulary By Catherine Scott These cars are for beginner level Spanish students. There are a few intermediate cards thrown in there. They're flimsy, but that is what I was expecting. I knew most of the vocabulary in this flashcard set, but they're still useful for helping me retain words.

Want to learn the Spanish language? You need QuickStudy Spanish Vocabulary flash cards. With 1,000 cards that contain English to Spanish words in over 17 categories, it's a great study tool.
