Rocky Mountain Radar : Speed: How to Fight Speeding Tickets...and Avoid Tickets before purchasing it in order to gage whether or not it would be worth my time, and all praised Speed: How to Fight Speeding Tickets...and Avoid Tickets:

0 of 0 people found the following review helpful. Very useful informationBy CustomerLots of great information. I would recommended it to anyone that wants to have this information on hand. It is explain in a simple way that anyone can understand and you will be able to use all the information.

Speeding tickets are a fact of life. SPEED details tips and techniques to avoid getting speeding tickets and ways to fight them when or if you do get one. The book includes driving tips to travel with assurance. It also includes strategies on how to fight a speeding ticket in court. SPEED also covers topics such as the use of a speedometer app to track your speed and radar detectors to increase your awareness of police radar traps. There are even tips on choosing the best radar detector for your driving habits.
