Joe Earle : Splendors of Meiji: Treasures of Imperial Japan: Masterpieces from the Khalili Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised Splendors of Meiji: Treasures of Imperial Japan: Masterpieces from the Khalili Collection:

1 of 1 people found the following review helpful. Must have reference bookBy cynthia maciejewskiA must have for any beginning or seasoned collector as the book reviews historical data pertaining to the work-shops, the artists and the exhibitions of Meiji period art.0 of 1 people found the following review helpful. Five StarsBy observerI like the book.

Splendors of Meiji is the catalogue of some 400 works from the Khalili Collection shown in a major U.S. exhibition presented by Broughton International, marking the first time in living memory that the American public has been given the opportunity to view the decorative arts of the Meiji Era in an encyclopedic and systematic fashion.
