Charles Downey : Stabbed With a Wedge of Cheese...And Other Cultural Oddities before purchasing it in order to gage whether or not it would be worth my time, and all praised Stabbed With a Wedge of Cheese...And Other Cultural Oddities:

0 of 0 people found the following review helpful. Four StarsBy Siiri Cresseygood1 of 1 people found the following review helpful. The Greatest Thing since Sliced BreadBy cdown@bigbear.comIs there some classification higher than 10? If so, this books deserves it. Pages and pages of thigh-slapping nutty stuff about how Americans love to invent their own fun. Should be on every bookshelf in the English-speaking part of the world.

A compendium of absurdities depicts the bizarre side of cultural activities with listings of off-the-wall holidays, strange museums, crazy events, and such way-out organizations as the National Frumps of America. 40,000 first printing.
