written, insightful, and very helpful . . . if you're looking for help with your career, read this book.0 of 0 people found the following review helpful. Successful and fulfilling careers don't find you - it's the ...By OZSuccessful and fulfilling careers don't find you - it's the other way around. This is a must-read for any graduate, professional or career-changer. A practical yet inspirational guide that will help you figure out what you want to do, how to position yourself in that market and give you a new perspective on how the job market works. This book is a chance to pick somebody's brain who has been there for a long time and knows the business world inside out. Unlike many other career advice books out there, this one is entertaining to read.

In today's economy, being qualified is not enough . . . Do you want advice on how to stand out in a crowded marketplace? Do you want to take your career to the next level and beyond? In *Stand Out Succeed*, career and business strategist Christy Frank explains how the job market really works, and shows you the strategies, psychology and tactics you need to know to get a lucrative, recession-proof career you love. The biggest problem with finding a job today is that we actually have two job markets - the public and the gated - and 95 per cent of people don't know how to perform well in either. *Stand Out Succeed* is both practical and transformational, giving readers a new perspective on themselves and showing them how they can attract potential employers or clients. Written for graduates, freelancers and professionals alike, *Stand Out Succeed* is a cutting-edge guide that shows you how to discover your passion, accelerate your career and become recession-proof. 'Here's a great book for the right time . . . This is the best guide I have seen for how to present your unique talents to the world in a time wherein innovation and creativity to succeed will matter more than ever.'-Harry S. Dent Jr., author of *The Demographic Cliff* Christy Frank is an in-demand career and business strategist, and an inspiring speaker and author. She is the creator of the SOS Concept, the only career training that transforms people into in-demand professionals with lucrative, recession-proof careers they love. A prominent career coach, speaker and former strategic management consultant, her clients have included Fortune 500 companies, startups and scores of individuals across three continents.
