Standard Encyclopedia of Carnival Glass is one of our most popular titles. This twelfth edition introduces nearly 100 new patterns and 300 replacement photographs, bringing this edition's total to over 2,000 colorful patterns. Grading information as well as a section on base/feet identification are included, plus, an all-new section on miniatures has been added. The bound-in-price guide includes virtually every piece of carnival glass ever made with prices given for various colors in each pattern. A multitude of both American and foreign companies are represented, and brief histories of companies such as Dugan, Fenton, Imperial, Northwood, Cambridge, Westmoreland, Fostoria, Heisey,

McKee, Jeannette, and the U.S. Glass Company are included. 2010 values.
