Kurt Thompson : Start Acing Interviews Now! A Proven Method to Effectively Answer Interview Questions
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Start Acing Interviews Now! A Proven Method to Effectively Answer Interview Questions:

Most interview books provide the reader generic answers to interview questions. *START Acing Interviews Now!* will help you develop your own set of customized and powerful answers to interview questions. *START Acing Interviews Now!* will help you be as prepared as possible for upcoming interviews by teaching you the *START* method for answering interview questions - a simple, but effective way to answer nearly any interview question. In addition to focusing on how to best answer interview questions, my workbook contains much more useful information regarding how to best prepare for job interviews

About the AuthorAs a professional interview coach since 2003, I have developed and taught the START Method for answering interview questions. The START Method is an easy to learn, yet powerful technique to answer most interview questions effectively. 'START Acing Interviews Now!' is written to help you develop a set of customized and powerful interview answers. This will set you apart from the competition and help land the job you desire.
