Stedman's : Stedman's Pocket Medical Dictionary before purchasing it in order to gage whether or not it would be

worth my time, and all praised Stedman's Pocket Medical Dictionary:

0 of 0 people found the following review helpful. Useful studying tool. By siisii The dictionary has enough medical terms explained clearly for my purposes. My only suggestion for the publisher is to print words a little larger. 0 of 0 people found the following review helpful. Four Stars By H.b Just an anatomy dictionary 0 of 0 people found the following review helpful. Five Stars By tem Excellent reference

This pocket edition features more than 38,000 terms drawn from Stedman's Medical Dictionary for the Health Professions and Nursing, Sixth Edition and Stedman's Medical Dictionary, Twenty-Eighth Edition, providing readers with a complete and comprehensive reference in a portable size. Features A-to-Z organization quickly leads you to a definition. Written pronunciations assist you in spoken communications. Special icons identify terms that are combining forms. British alternative spellings are included. Free three month access to [stedmansonline.com](http://stedmansonline.com) With Stedman's Pocket Medical Dictionary, you not only read a definition, you can hear it, see it, and watch it in motion. Everything you need to understand and use medical terms correctly in all your communications is here, from the most trusted name in medical words.
