Evelyn U. Salvador : Step-By-Step Resumes: Build an Outstanding Resume in 10 Easy Steps! [With CDROM] before purchasing it in order to gauge whether or not it would be worth my time, and all praised Step-By-Step Resumes: Build an Outstanding Resume in 10 Easy Steps! [With CDROM]:

2 of 2 people found the following review helpful. Very helpful resource By Sam K. I haven't read through the entire book cover-to-cover yet, but I have browsed through quite-a-few pages, and have picked up various ideas that have proved to be very beneficial. Definitely recommend this resource to anyone seeking to, not only, update their resume, but also, enhance it significantly. Meticulously thorough with lots of practical and strategic helps. The format is fairly easy to use. I don't plan on going through each and every page as it will prove to be very laborious. All-in-all, this is a must have for anyone seeking to upgrade their resume to current market standards. 0 of 0 people found the following

review helpful. Five StarsBy Rowena WinfreyAn excellent guide to writing resumes. I replaced our library copy because so many people were requesting it!0 of 0 people found the following review helpful. Great book!By Robert ByrdGreat book! Got her cover letter book too. Love them.

This revolutionary how-to workbook is the easiest way to create a winning resume that practically writes itself. Includes CD-ROM.

A fabulous resource. Instructions on the how are comprehensive, yet very easy for a novice to understand and follow. -- Daria Consiglieri, Employment Services Program Manager, WorkSource LynnwoodDemystifies the writing process with clear instructions, industry-specific guided worksheets, and a cutting-edge CD-ROM. -- Murray A. Mann, author, *The Complete Job Search Guide for Latinos*; officer, National Rsum Writers AssociationEvelyn has made writing a resume as easy as filling in a few blanks and checking off a few boxes. -- Naomi Williamson, Co-op Coordinator/Business Teacher; Calhoun County Career Technical Center; Jacksonville, ALInstrumental in putting together a resume from scratch. The profession-specific worksheets bring up skills that some people don't think about. -- Chris Sorgani, Community Integration Specialist, PRIDE IndustriesNow you have the tools that professional resume writers have used for years! -- Wendy S. Enelow, author, *Cover Letter Magic* and the *Expert Resumes* series
