**From DK Children : Sticker Encyclopedia: Baby Animals (DK Sticker Encyclopedias) by DK Publishing (2011) Paperback** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sticker Encyclopedia: Baby Animals (DK Sticker Encyclopedias) by DK Publishing (2011) Paperback:

0 of 0 people found the following review helpful. Great multi learning opportunityBy Lisa P MitchellThis is our second DK sticker encyclopedia. This is a three fold learning opportunity, First, searching for the right animal based upon shape. Second using dexterity to correctly place the sticker. Third reading about the animal. As an adult I am learning a lot too. This one has a lot more pages that other brands I have seen and if you are unhappy with the sticker placement they can be removed easily without tearing.0 of 0 people found the following review helpful. Five StarsBy LinnGreat book
