**Megan McDonald : Stink-o-pedia: Volume 1 Super Stink-y Stuff from A to ZZZZ (Stink Set 2)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stink-o-pedia: Volume 1 Super Stink-y Stuff from A to ZZZZ (Stink Set 2):

Where can you view the world's oldest ham? Who holds the record for the world's loudest burp? The answers to these and many, many more essential questions can be found in Stink-O-Pedia -- just the sort of reference book that Stink Moody, who reads encyclopedias in his spare time, might make up himself. From J-for-Jawbreaker (and how long it

would take an average frog to digest one), to P-for-Professional Smeller (and other strange but true careers), to Y-for-Yeti (why not?), this volume contains enough amazing stuff to keep readers saying "No way!" for a googolplex of years. At the back of the book, facts are cross-referenced with related Stink and Judy Moody titles. In Stink's solo adventures, his special style comes through loud and strong! His tales are enhanced by a series of comic strips, drawn by Stink himself, which are sprinkled throughout the books. In honor of Judy Moody's younger "brother," the creators of the award-winning series have put themselves in a very Stink-y mood -- proving, once and for all, that you're only as short as you feel.
