* The Ultimate Stir Fry Guide * Stir-frying is an Asian technique for cooking meat and vegetables quickly, so that they retain texture and flavor. Stir-frying typically involves a quick saut over high heat, occasionally followed by a brief steam in a flavored sauce. Nothing is easier to toss together for a family dinner than a stir-fry. These recipes only take a couple of minutes to prepare and ten minutes to cook, so it's great if you don't want to slave over a stove for hours.
