Alice Adams : Straight Truck Driver Handbook/Workbook (Medium/Heavy Duty Truck) before purchasing it in order to gage whether or not it would be worth my time, and all praised Straight Truck Driver Handbook/Workbook (Medium/Heavy Duty Truck):

The Straight Truck Driver Handbook/Workbook and ancillaries provide a comprehensive, turn-key curriculum for preparing younger students for a career in the trucking industry. Trucks are the major mode of transporting goods in a constantly growing US economy and as a result, there is an ever-growing shortage of qualified truck drivers. On any given day of the week, the 1.4 million truck fleets in the US suffer from a shortage of 300,000 drivers and these

companies are anxious to find good, qualified drivers to deliver their goods. This book not only prepares new drivers to fulfill these positions successfully, but the book and its ancillaries represent the first such curriculum of its nature offered in the US and Canada.
