Lisa Montanarelli, Ann Harrison : Strange But True: San Francisco: Tales of the City by the Bay before purchasing it in order to gage whether or not it would be worth my time, and all praised Strange But True: San Francisco: Tales of the City by the Bay:

0 of 0 people found the following review helpful. Reads like a cable carBy William WagnerLots more then flowers in SF. Being raised in SF I can truly relate to all the stories. They become more alive. A must read for all SF from past present and future generations.

This new series will visit major US cities, bringing together their most bizarre news items classic strange but true stories that reached the and finally sections of news reports worldwide.

From the Back CoverStrange But True: San Francisco brings together the city's most bizarre news items, almost-believable urban myths, incredibly antiquated laws, curious little-known facts, and neighborhood eccentric oddballs and weirdos into one compulsively readable guide. Whether you're a native San Franciscan or just passing through, Strange But True: San Francisco is your guide to the City by the Bay's wackiest, most offbeat, mostly totally true tales,

trivia, and events. Discover hundreds of wacky, offbeat, mostly totally true tales from the City by the Bay, where you'll: Meet Black Bart, the Gentleman Robber who held up 28 Wells Fargo stagecoaches only to be unmasked by his laundry mark. Learn how city leaders outlawed burials and evicted the dead from cemeteries - and why it's great to be alive in Colma. Marvel at the monkey that held a security guard hostage and the parrot that was called to the witness stand. Learn why San Francisco Bay should've been discovered in 1542 - and why it took explorers 227 more years to find it. Discover which Pulitzer Prize-winning author bequeathed a plastic bag full of 10,000 rubber bands to Stanford University. And much more!
