Matt Moylan : Street Fighter World Warrior Encyclopedia before purchasing it in order to gage whether or not it would be worth my time, and all praised Street Fighter World Warrior Encyclopedia:

It gives you stats and the back stories to almost every street fighter in the universe today. This book does not have any of the fighters from the EX series, but does have all of the new fighters in street fighter 4 and super street fighter 4. Its not a massive book so its easy to port around. For your kid they could take it to school or for adults slip it into your briefcase on the way to work and sneak in a few pages.All in all a great addition to anyones library.0 of 0 people found the following review helpful. enjoyed the book. And far exceeded my expectations. The cover is very nice and has a different texture and delicious to pass the hand! I recommend. 1 of 2 people found the following review helpful. SF WW Encyclopedia By Shaolink Excellent book with great back story for each character. Illustrations are great. Is well worth it's price. Only minor banter is that they didn't have a street fighter character for the letter P, so it is not exactly 100% an encyclopedia with all the characters for each letter of the alphabet. Therefore I can't explain to my 3 year old son that there is no street fighter character starting with the letter P. Ordering a second one for myself as the first one I have decided to give to my three year old son who obsessively carries it around with him everywhere he goes, even to bed.

Enter the world of Street Fighter, where fighters of every size, shape, and color collide in a global battle for supremacy. Combatants fight for reasons as diverse as their nationalities, each with their own unique moves and fighting style. Now you can learn the whole story behind the world's greatest fighters in The Street Fighter World Warrior Encyclopedia! Inside you will find detailed profiles of every Street Fighter character, including their histories, strengths, allies, enemies, and more! Each profile is accompanied by pulse-pounding artwork by top UDON artists like Alvin Lee, Jo Chen, Arnold Tsang, Jeffrey Cruz, Joe Ng, and Omar Dogan.
