Street French 1: The Best of French Slang (Street Language) - David BurkeBy Kris ZinkThis is an entertaining and

instructive book that is perhaps a little difficult to learn until one has studied French for at least a year. However, there is a glossary in the back of the book, along with side-by-side translations throughout. Learning a few French slang phrases is fun and helps the French student feel more at home in France.

A crash course in the earthy side of the "language of love" Now that you've mastered the subtleties of French grammar and idiom, it's finally time for the good stuff. Forget all about what's masculine or feminine for a moment and get up to snuff on the most outrageous collection of euphemisms, insults, expletives, obscenities, vulgar gestures, and sexual slang. This is the French you won't find in any textbook dialog--until now. To berate anyone with this kind of banter, you'd normally have to hang in back alleys of some dangerous arrondissement of Paris. Now you simply need to browse through the pages of Street French 3. This guided tour of raunchy, risqué, and ribald French is the third volume of Wiley's Street French series. Each fun and easy lesson includes vocabulary list, dialogue, a glossary of synonyms and antonyms, and a practice session consisting of word games, crossword puzzles, and self-tests DAVID BURKE (Los Angeles, California) studied in Paris, is a fluent French speaker, and is the author of the Street French series and Street Spanish (Wiley). David's other books include Street German, Street Talk and Big Talk.

Language NotesText: English, FrenchFrom the PublisherStreet French 3 teaches the best of "naughty French" from common euphemisms and insults to the colorful popular language of sex, drugs and scatology. This guide is designed not only to entertain readers, but also to help them navigate the rougher waters of French conversation. Chapters cover euphemisms, insults (both vulgar and non-vulgar), various uses for popular obscenities, unintentional obscenities, vulgar gestures, and criminal slang. Includes a glossary that contains English definitions of all the French words used in the book.About the AuthorDAVID BURKE (Los Angeles, California) studied in Paris, is a fluent French speaker, and is the author of the Street French series and Street Spanish (Wiley).
