David Burke : Street French: How to Speak and Understand French Slang (Self-teaching Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Street French: How to Speak and Understand French Slang (Self-teaching Guides):

0 of 0 people found the following review helpful. Made a good giftBy Alexander DennisPurchased this as a gift. It is funny. Recipient enjoyed it. I cannot vouch for its accuracy as I do not speak french.0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerVery satisfied.1 of 1 people found the following review helpful. Street French 1: The Best of French Slang (Street Language) - David BurkeBy Kris ZinkThis is an entertaining and instructive book that is perhaps a little difficult to learn until one has studied French for at least a year. However, there is a glossary in the back of the book, along with side-by-side translations throughout. Learning a few French slang phrases is fun and helps the French student feel more at home in France.

This valuable guide offers an interactive, step-by-step approach to speaking French as it is actually spoken by native speakers, language that is used on a day-to-day basis in business, among family and friends, at parties in any casual conversation. Using this guide, readers will quickly gain facility in using terms and phrases that even a 10-year veteran of formalized French would not understand. The text presents the most common French slang words, in context, to demonstrate how they are actually used, with English translations immediately following. Explanations are designed to

ensure full comprehension of the nuances and subtleties of the terms and phrases covered. Chapters contain vocabulary exercises, with answers. There is also a clear, concise grammar section which introduces unconventional "rules" for using slang and colloquial expressions. Also provided are additional drills, reviews following each five-chapter sequence, and a thesaurus which offers quick reference to synonyms for slang terms.
