**David Burke : Street Italian 2: The Best of Naughty Italian** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Street Italian 2: The Best of Naughty Italian:

2 of 2 people found the following review helpful. You may find it useful to understand these words By Laura De Giorgio The book contains some very common Italian naughty expressions and there are people in every culture who enjoy peppering their everyday language with these kinds of expressions - as far as Italian language goes, I've heard many more men than women using these expressions. You may or may not want to use them, but if hang around Italian communities (even if you're not travelling to Italy), or if you're watching Italian movies - you may be glad to

understand what they're talking about.5 of 6 people found the following review helpful. Slightly amusing, not very useful  
By Jason E. PeaseA funny book to read, but not something you can really use. The phrases are accurate for the most part, but in order to be able to use these phrases correctly, you need an understanding of the situations in which they are applicable. Something that comes with days and weeks of listening, not reading a 100+ page book.0 of 1 people found the following review helpful. Mistake on back cover  
By JillaA 1st semester Italian student would know that ho mangeato is incorrect. It should be ho mangiato. I'm not sure that I can trust this book with such an obvious error.

You've mastered Italian slang, conquered popular idioms, yet still feel like an outsider. The reason is simple. You haven't discovered the third secret to understanding everyday Italian: popular expletives and obscenities—those back-alley words and phrases constantly used in movies, books, and conversations between native speakers. **STREET ITALIAN 2** is the first step-by-step guide of its kind to explore the most common curses, vulgarities and obscenities used throughout Italy. Chapters include: Dating Slang Nonvulgar Insults Putdowns Vulgar Insults Name-Calling Body Parts in Slang Sexual Slang Bodily Functions, Sounds Smells For continuous updates on new products (such as books, audio CDs, cassettes, and videos) on Italian, Spanish, French, and American slang and idioms, check out his Web site: [www.slangman.com](http://www.slangman.com).

About the Author  
Slangman David Burke, the well-known slang expert featured on Voice of America and author of three dozen books on slang and idioms, has created the first entertaining and easy-to-use "slanguage" series of its kind!
