before purchasing it in order to gauge whether or not it would be worth my time, and all praised StreetSmart Washington DC Map by VanDam -- Laminated City Street pocket map with all museums, sights, monuments, government buildings and hotels plus Metro Subway Map, 2017 Edition (English):

1 of 1 people found the following review helpful. Excellent Map Customer Service to MatchBy CustomerI purchased this map for an upcoming trip to DC. The map itself is very easy to read, and to quickly find attractions, as the color and contrast are much better than other DC maps I looked at. I especially like the fact that the 3D map of the Mall area is found both on the main map, but also located on the back flap of the map when folded this will make for easy reference during our trip without having to unfold the map while were walking around the Mall.Special kudos to Van Dam for their excellent customer service. I had a question on the map itself, so I sent a late night email to customer service I had a non-canned response to my inquiry literally within about 5 minutes, and within 12 hours, the person in charge of updating the maps answered my question in full. Finding a company with top notch customer service, and a great product is a rarity these days Ill be happy to give them my business in the future.

VanDam's award winning 2017 Washington DC StreetSmart maps all top attractions including museums, major architecture, hotels, monuments, federal buildings, and shopping destinations - all at an immensely legible super-scale of 1:16,000, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. The Washington DC StreetSmart includes a stunning dimensional Mall detail of the central city from Georgetown to Arlington National Cemetery through Foggy Bottom, Penn Quarter, Chinatown, the East End to Capitol Hill. A Beltway and Metro DC map ensure you've got everything you need. The Washington DC StreetSmart map is updated twice a year and is more current than any other map available. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the Capital City. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 24" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant Capital StreetSmarts and a sexy souvenir to boot!
