Rongrong Liao, David Dai, Jack Franke : Streetwise Mandarin Chinese with MP3 Disc: Speak and Understand Everyday Mandarin Chinese (Streetwise (McGraw Hill)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Streetwise Mandarin Chinese with MP3 Disc: Speak and Understand

Everyday Mandarin Chinese (Streetwise (McGraw Hill)):

1 of 1 people found the following review helpful. More like 3.5 stars!By Conraddddd21This is a great book to learn Mandarin slang. Its dialogues are lively and full of relevant phrases that one might hear in Beijing (so says my Chinese friend). However, there is a major drawback that has already been mentioned, namely lack of pinyin in dialogues and explained phrases. To be fair, the last section of each chapter contains a pretty short vocabulary list of the most important new words with pinyin, but I think it would be a major improvement to include pinyin throughout the entire chapter. On another note, this is a fairly advanced book so make sure you have at least 4,5 semesters of Chinese behind your belt before adding this book to your library.0 of 0 people found the following review helpful. the book is very rich in slang expressions and the examples let the reader to be clear about the use of them in real life.By Orna Taubthe book gives the hottest current chinese slang with examples for use in real situations.easy to remember and makes the use of the slang phrases clear to the foreign students.0 of 0 people found the following review helpful. Five StarsBy Paul B.Good book,...just what I was looking for.

From the side of the Silk Route to the edge of the Great Wall, the Chinese language as spoken by everyday people Uncover the everyday Mandarin Chinese as it's spoken on the streets and in the alleys of China.
