Eduardo J. Zayas-Bazn, Susan Bacon, Holly J. Nibert : Student Activities Manual for Arriba!: Comunicacin y cultura before purchasing it in order to gage whether or not it would be worth my time, and all praised Student Activities Manual for Arriba!: Comunicacin y cultura:

1 of 1 people found the following review helpful. Buy this asap w/ book and make (A)By WebladyUsaThis is my favorite. I bought everything to help and this work bookwas not required. The labs didn't offer the time and understanding. This workbook is a Must if you want to learn.In addition....I feel they should have continuous sounds as the book offers in the lab. Would be easier to follow. The videos in the book go to fast. Then this DVD offers a nice layout. But the book offers the same (only in the spanish lab while your enrolled) So the DVD is good for watching and listening to the short story's. For the price of these clips they should include the vocabulary and the verbs to

practice. Now, the website offers the 5th edition by chapters. The site... 1 pop up window for a 5 -10 second clip/file. The website needs to offer continuous learning. This programs is very expensive with book. Its a must to get the study manual because when your class is over so is the lab with all the activites for practice. They don't sell individual learning packages for students with Pearson. Good luck!Alinea0 of 0 people found the following review helpful. One StarBy Barbara BennettNot the level I expected. Too elementary1 of 1 people found the following review helpful. Five StarsBy CustomerThanks!

The Arriba!Student Activities Manual, available both in print and within MySpanishLab, includes a vast number of practice activities, many of which are audio- or video-based, for each chapter of the text. It also contains speaking activities that are recordable in MySpanishLab. The activities are integrated and organized to mirror the corresponding textbook chapter. Each chapter of the manual includes a Letras y sonidos section, a Perfiles section, two Cunto saben? sections, comprehensive activities on the Observaciones video segments, and a Nuestro mundo section.
