Sue-mei Wu, Yueming Yu, Yanhui Zhang, Weizhong Tian : Student Activities Manual for Chinese Link: Beginning Chinese, Simplified Character Version, Level 1/Part 1 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Student Activities Manual for Chinese Link: Beginning Chinese, Simplified Character Version, Level 1/Part 1:

3 of 3 people found the following review helpful. I found it to be very helpful and easy to power through By Melody Chan
PURPOSE: I bought this book for my Beginner's Chinese class. We finished all 11 chapters in one semester.
OVERALL THOUGHTS: I found it to be very helpful and easy to power through.
CONS: In each chapter, there is a set of main vocab as well as supplementary vocab. I found that some supplementary vocab from the earlier chapters were repeated in the later chapters as the main set of vocab. At the back of the book is a Chinese-English

dictionary and vice versa. However, I feel that the dictionary could be more extensive as they were missing some vocabulary that was used in the book. PROS: You learn a lot of Chinese surnames in this textbook. A lot of helpful conversations are littered throughout the book. There are also a few chapter reviews. At the end of each chapter, there are sections about Chinese culture. Prior to chapter one, there is a brief section on pinyin. 0 of 0 people found the following review helpful. Effective textbook By Poon L. Yee I needed this textbook for my Chinese class. I feel that the textbook is really awesome and when paired up with the student activities manual and the character book it really works. I like the passages in the textbook and the fact that there are traditional and simplified characters in the beginning when it is introducing the new characters to the readers. By doing this, people that write in simplified and traditional at least can recognize the other way of writing the character - simplified or traditional. I like this textbook a lot more than some of my other Chinese textbooks that I have had previously. 0 of 0 people found the following review helpful. It's OK. For a class so I had no choice but to buy it. By Annette M. This is the text book for a Mandarin class I am taking. It is just OK. The audio resources are only available online unless you buy the audio cd's separate or pay \$149 for MyChineseLab. They are in Flash so they don't work on a mobile device and you can't even download them as MP3's

The Student Activities Manual contains homework and extra practice assignments for each lesson in the Chinese Link Simplified Characters Level 1 / Part 1 2e textbook. Homework activities are divided among listening, character recognition and writing, grammar exercises, and communicative tasks. The topics are directly correlated with those in the respective chapters of the textbook.
