NOTE: Item is a Student activity manual. This essential component follows the organization of the main text and provides additional out-of-class practice, with four parts to each unit. "Franais ecrit" and "Franais parle" contain written and listening activities, respectively, for all three lessons in a unit. "Vie pratique" offers both written and listening activities based on the practical language section, and "Images du monde Francophone" provides written and listening activities based on the cultural "magazine" sections. "Revision" tests appear after Unites 3, 6, 9, and 11.
