It was recommended by her teacher in schoolBy TonyI bought this book for my friend. It was recommended by her teacher in school. The book arrived in very new condition, with the complete CD discs as well. This books integrates language instruction into real-life contexts, and helps people to be prepared for every day interactions at work, at home, with friends etc. Great book!3 of 3 people found the following review helpful. Great formatBy AvilaThis book is simple but complete.I like that it covers all parts of learning English. I use it for teaching

over the web. There is a later version out so make you you get that one.

Step Forward is the best-selling standards-based, four-skills course that improves student outcomes by integrating language instruction into real-life contexts. Designed to build workplace skills, the vocabulary in Step Forward is based on the vocabulary of the Oxford Picture Dictionary providing easy supplementing and a rich, integrated instructional experience. A consistent unit sequence includes vocabulary, life stories, grammar, everyday conversation and real-life reading, carefully developing learners skills, while a transparent lesson structure makes the text accessible to learners, minimizing preparation time. Strong vocabulary and grammar strands provide learners with the tools they need to achieve civics, workplace, life-skills and academic competencies. All Step Forward program components support multilevel instruction. Varied instructional strategies and clear identification of objectives contribute to learner persistence and a variety of assessment tools allow teachers and learners to monitor progress.
