Larry A. Mitchel : Student's Vocabulary for Biblical Hebrew and Aramaic, A before purchasing it in order to
gauge whether or not it would be worth my time, and all praised Student's Vocabulary for Biblical Hebrew and
Aramaic, A:

2 of 2 people found the following review helpful. Very helpful for Bible language studyBy Mark LeberfingerIt's a
small book by academic standards but it's very helpful in sorting out Hebrew and Aramaic words according to the
number of times they are used in the Tanakh. The lists are in bite-sized chunks for easier learning.0 of 0 people found

the following review helpful. Excellent Word Lists By Robert J. Huffine I lost my copy of this when I moved, but plan on getting another one soon. The "word-frequency" statistics may or may not be perfect according to some past reviewers, but that shouldn't be worried-over. If a person gets familiar with it's first 20 pages, they should have most of whatever they'll read, understood. The more familiar one gets with this Word-List, the more proficient their recall will be. It's easy enough for a beginner who only knows how the letters and vowels are pronounced, to begin appreciating what they're holding in their hands. 0 of 0 people found the following review helpful. Five Stars By Carl L. Baines Just what I wanted.

A Student's Vocabulary for Biblical Hebrew and Aramaic provides the student with a vocabulary list by word frequency for words appearing ten times or more in the Hebrew text. Unlike other vocabulary lists, this work combines all word forms in a single list, simplifying the student's task of learning all words of a given frequency. Words are given in groups of thirty or fewer in order to provide the students with short, manageable learning blocks. The vocabulary list also gives the basic meaning of each word, a phonetic pronunciation guide, key information about the word's part of speech, and the number of times each word appears in the Hebrew text. A separate section of the vocabulary list contains all Aramaic words appearing in the Old Testament. A Student's Vocabulary for Biblical Hebrew and Aramaic is a tool that will be welcomed and used by all students of Hebrew.

Language Notes Text: English, Hebrew From the Back Cover A Student's Vocabulary for Biblical Hebrew and Aramaic provides the student with a vocabulary list by word frequency for words appearing ten times or more in the Hebrew text. Unlike other vocabulary lists, this work combines all word forms in a single list, simplifying the student's task of learning all words of a given frequency. Words are given in groups of thirty or fewer in order to provide the students with short, manageable learning blocks. The vocabulary list also gives the basic meaning of each word, a phonetic pronunciation guide, key information about the word's part of speech, and the number of times each word appears in the Hebrew text. A separate section of the vocabulary list contains all Aramaic words appearing in the Old Testament. A Student's Vocabulary for Biblical Hebrew and Aramaic is a tool that will be welcomed and used by all students of Hebrew. About the Author Larry A.
