The most useful resource in times of crisis!By Artfully MindedThere are always going to be mini emergencies that throw lessons off, or the need to depart for a day. These one-day lessons are an awesome resource that comes with COPY RIGHTS! No word-finds or other "busy work." These are insightful units that can be done in a day and have some meat on the bone. My only hesitation is that some might actually be more fun that some lessons!Do yourself a favor and get this book! A true sanity saver!

These are tried and true sub-plans for middle through high school, with some simple units for special needs students and lower grades, coming from an award winning art teacher with more than a quarter century of classroom

experience. All are designed for minimal impact on supplies; from just a pencil, to simple supplies like colored pencils, crayons, or whatever you have available. No word-find "busy work," each lesson has depth and can be paired with whatever unit students have or will explore. Some plans include extensions that can be paired with technology available in your classroom or student's pockets, but most can be done without should that not be a possibility. Many of these mini-explorations would make great one-day lessons for those odd half-days, or when one class finishes too early, or you just want to do something different for the day. Great if you have a student in OSS or ISS and need to provide lessons. If you are looking to add more reading and writing into your curriculum, these will be beneficial as well. This book includes: Poetry Illustrations, Art Quote Illustrations, Altered Image Exercises, Drawing Prompts, Color Exercises, Directed Drawings, Artist Trading Cards, Compare Contrast Exercises, 1 Day Project Hand-outs, Simple Assessments With Rubrics, Video Notes Worksheets (Short and long), Worksheets To Analyze Masterworks, Cut Construct Paper Projects, Masterpiece Remixes, A Research Paper for an Extended Absence. Your purchase comes with copyrights, so you can make copies for your substitute teacher or for all your students.
