Chilton : Subaru, 1985-92 (Chilton's Repair Manuals) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Subaru, 1985-92 (Chilton's Repair Manuals):

0 of 0 people found the following review helpful. Five Stars By Marvin J. Wood Jr. The book was still in the original wrapping perfect and fast delivery
0 of 0 people found the following review helpful. Four Stars By William Blanton Sr. GOOD
0 of 1 people found the following review helpful. Chilton's Repair Manuals By Robert B. Foreman I have

relied on Chilton's Repair Manuals for every car I have owned including my 1960 Volvo 120S and my newest vehicles - all used- and all needing service that I was able to accomplish myself with guidance from my Chilton's manuals. The illustrations are very clear, and the step-by-step procedures are easy to follow. The manuals cover information ranging from regular maintenance to engine and transmission repair and body work. I can't estimate the money I have saved or the satisfaction and enjoyment I have felt doing my own repairs with directions from this excellent series of publications.

Total Car Care is the most complete, step-by-step automotive repair manual you'll ever use. All repair procedures are supported by detailed specifications, exploded views, and photographs. From the simplest repair procedure to the most complex, trust Chilton's Total Car Care to give you everything you need to do the job. Save time and money by doing it yourself, with the confidence only a Chilton Repair Manual can provide.
