Job: Heart, Integrity, and Intuition : The Secrets to Getting What You Want:

In *Success Is An Inside Job*, Lee Milteer leads us into our inner selves to uncover negative feelings of low self-esteem that can dissipate our energy, cloud our objectives, and serve as roadblocks to our success. Resolving these core issues releases our true desires and allows us to set attainable goals for ourselves. *Success Is An Inside Job* shows how to use the mind to create an outer life that reflects our inner values, employing a motivational "strategy for success" and leading to a healthier, happier life. *Success Is An Inside Job* is a highly recommended addition to personal and community library "self-help" shelves. -- Midwest Book Review
