**Abby Marks-Beale : Success Skills: Strategies for Study and Lifelong Learning (Title 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Success Skills: Strategies for Study and Lifelong Learning (Title 1):

0 of 0 people found the following review helpful. Teen must-readBy KKeefeGreat book for teens!0 of 0 people found the following review helpful. Five StarsBy JoniIt looks to be knowledgable3 of 8 people found the following review helpful. It's a textbookBy JenHow to review a textbook? Well, BORING! So I guess it does its job. This book was a requirement for a class I am taking. The book was as described, and it met the requirements for the course. I bought used, saved money, and sold it back. Everything went smoothly, and this was a first semester book. I will definitely use the textbook exchange system has, at the end of the course \*(after returning the book) it cost me about \$3. I bought this book in "good" condition, and it was better than this sites description. I'm sure that buying used is just a crap shoot anyway, but my experience was positive, and I got the correct book I ordered. Use the ISBN, get through your course, and trade it back in, and you could get away with spending nearly a third of the cost compared to buying books new,

and keeping them afterward.

SUCCESS SKILLS focuses on how to learn; thinking and communication skills; and technology and information management. Users learn success strategies required in today's academic and workplace environments. The five key areas of this text include: learning how to learn; becoming an active reader; listening, memory, and note-taking mastery; testing and critical thinking skills; and information gathering, research and writing skills. SUCCESS SKILLS positions learners to be successful in today's multifaceted workplace.

1. Learning by Doing. 2. Discovering Your Learning Styles. 3. Creating Concentration. 4. Learning Time Management. 5. Studying Smart. 6. Taking Notes from Lecture. 7. Taking Notes From Reading Material. 8. Improving Reading Comprehension. 9. Revving Up Your Reading. 10. Mastering Tests. 11. Using Your Critical and Creative Mind. 12. Reading and Researching Online. 13. Writing in the Real World.

About the Author Abby is a published author of many articles and several books, most recently *The Complete Idiot's Guide to Speed Reading*. Abby also wrote *10 Days to Faster Reading*, published by Warner Books. Her college level text, *Success Skills, Strategies for Study and Lifelong Learning* is now in its third edition and published by Southwestern/ITP. Abby is also the content editor for *Read More, Faster. . . On-Screen!*, a revolutionary ebook written by our associate Pam Mullan.
