David Woodworth : Summer Jobs Britain 1995: Incorporating Vacation Traineeships before purchasing it in order to gauge whether or not it would be worth my time, and all praised Summer Jobs Britain 1995: Incorporating Vacation Traineeships:

Gives details of over 30,000 summer vacancies all over the UK, all of which appear at the request of employers. The

book lists opportunities in amusement parks and hotels, and with voluntary organizations, activity holiday centres, riding schools and farms. With information on wages, hours, conditions of work, whether accommodation is provided, period of work, qualifications and/or experience required, and the names and addresses of people to whom applications should be sent. Includes sections on vacation traineeships for students, voluntary possibilities, and creating your own job.
