The Editors of Sunset Magazine : Sunset Western Garden Book of Landscaping: The Complete Guide to Beautiful Paths, Patios, Plantings, and More (Sunset Western Garden Book (Paper)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sunset Western Garden Book of Landscaping: The Complete Guide to Beautiful Paths, Patios, Plantings, and More (Sunset Western Garden Book (Paper)):

15 of 15 people found the following review helpful. over the years I have I generally enjoy most of Sunset's gardening guides and this is no ...By Cathy Even though I am originally from New England, over the years I have I generally

enjoy most of Sunset's gardening guides and this is no exception. The book is geared to the California gardener, not really to gardening in the "West". In that regard it was helpful for us (we just moved to Northern California) but it would be of little use to someone gardening in Nevada or Arizona. I am delighted with the information I've gleaned from the book as it is appropriate for our needs, but it would probably be helpful to have that referenced in the title of the book. 12 of 13 people found the following review helpful. which is a good magazine, and I will continue to subscribe. By Robert L. Lamoreaux I am a subscriber to Sunset magazine. It is apparent that most photos in this book are taken directly from the magazine. It is a rehashing of the magazine, which is a good magazine, and I will continue to subscribe. If you are a subscriber, you don't need to purchase the book. 2 of 2 people found the following review helpful. Three Stars By Customer Good for ideas, and lovely photography. I'd like more native plants and gardens shown specifically for Southern California.

The perfect companion to the best-selling *The New Sunset Western Garden Book*, the *Western Garden Book of Landscaping* is the ultimate source for ideas and expert advice to make a reader's dream garden or landscape a reality. Completely redesigned and updated for today's homeowner and landscape professional, this book has the proven, reliable, expert information that readers have come to expect from the Western Garden brand. Much more than an idea book, this book is designed to inspire homeowners by showcasing the West's best garden design, and--more practically--to give Do-It-Yourselfers enough information to tackle basic projects on their own, making their gardens look and function better. Useful for beginners and expert landscapers alike, this book is ideal for those readers looking to install a new garden, renovate an existing one, or simply to make parts of their garden, whether a patio or flower border, more stylish. With gorgeous photography and the latest in garden design, this book includes the best in tips, guidelines, and step-by-step instructions throughout. Features include: More than 400 pages full of tips, advice and ideas for creating a dream garden Over 600 gorgeous full-color photos
