An exciting, seven-level course that enhances young learners' thinking skills, sharpening their memory while improving their language skills. Super Minds, from a highly experienced author team, enhances your students' thinking skills, improving their memory along with their language skills. This Level 3 Student's Book includes activities to develop language creatively, cross-curriculum thinking with fascinating 'English for school' sections and lively stories that explore social values. The fabulous DVD-ROM features animated stories, interactive games and activities

including videokes, songs with karaoke versions, and fun activities focusing on each unit's vocabulary and grammar.
